No man is above  
the Law

On August 11th I the Plaintiff was at the car wash on North Edmond was my Company Truck when Joe Slocum of McCrory Arkansas was traveling South on Edmonds entering the car wash while raising his window down yelling "You dumb Nigger I'm the officer of the law Myers and Bell works for me your a dead Nigger." I then ran to the other side of my truck to grab my phone. I stepped back during my run to the other side of truck Mr. Slocum then yelled "Run Nigger Run." This is the second threat & complaint where is my justice this has went on to long where is my justice in this white Nationalism County. In this County white people don't get warrants served.

Damien Smith & Craig Reeves warrants was given the same day only Damien Smith was served a blackman. Both people had the same violent felony charge.

My warrants for Doyle Fowler & Joe Slocum has not been filed and now Joe Slocum is bragging about it while telling me I'm a dead man I'm in fear of my life.

If I threaten a white man I would have a warrant or in jail I had a warrant signed on me by Ralph Myers but I can't get one signed on a white man. Because they are protected by the KKK or this white Nationalism Justice system in McCrory. I have read the pages of this statement and the facts contained are true and correct.

Defendant 3<sup>rd</sup> James Durham (Officer Prisoner)

On October 7, 2019 while in custody @ the Woodruff Co. Jail. Defendant James Durham allowed another defendant Game Fish Officer Thomas Kendrick to enter the back of the jail with his gun still on his hip. Disregarding numerous signs that states all firearms are prohibited beyond this point, During this interrogation I asked for my attorney late John Walker several times. He still continued with his interrogation.

On October 8, 2019 Defendant James Durham attempted to hinder my bond by calling the Storage lady and threatening to get State Police involved to shut her down. So that day I was unable to bond out because James Durham hindered bond by threatening the owner of the Storage building by helping me out and lending money.
